SS26 COLLECTION MOOD BOARD

INSIDE/OUT

Self-Expression
Freedom
Adventure
Comfort
Multi-purpose

Wear your feelings with Pride

The “Inside Out” collection invites you to embrace your true self through the vibrant spirit of summer adventures. Inspired by sandy beaches and riversides, each piece reflects the joy of self-expression and the freedom that comes with being genuine. Imagine carefree days under the sun, where comfort meets style, allowing you to move effortlessly and authentically. This collection celebrates originality, encouraging you to wear your feelings with pride—whether you’re laughing with friends, exploring new places, or simply enjoying the moment. Dive into a world where every stitch and detail tells a story of fun, authenticity, and the beauty of being you.

PAPER WEIGHT

Comfort, Freedom, Feel lighter and Happier

The "Paper Weight" story embodies the essence of effortless comfort. Featuring loose fits and tailored silhouettes, this line celebrates the joy of movement with fabrics like Tencel and linen that feel cool against your skin. Each piece drapes beautifully, allowing you to embrace a laid-back lifestyle without sacrificing style. This collection invites you to experience the lightness of being, where every garment is designed for those carefree moments that make life feel like a gentle breeze.

VINTAGE BLOOM

- Sun-faded
- Sanded
- Perfectly Imperfect
- Rips & Repairs

“Vintage Bloom” captures the spirit of adventure through naturally sun-faded washes and authentic shades. Inspired by rustic landscapes, this sub-story features multi-purpose garments that transition seamlessly from day to night. The earthy tones and worn-in textures evoke a sense of nostalgia, inviting you to explore and create memories. Each piece tells a story of wanderlust and discovery, encouraging you to embrace the beauty of nature and the adventures that lie ahead.

GOING GREY

-Flow of life

-Embracing change

-Adaptability

"Going Grey" is a celebration of the complexities within us all. This sub-story embraces mid to light grey shades, reflecting the nuanced "grey areas" of our personalities. Each garment invites you to accept and embrace your individuality, showcasing the beauty in life's gradients. The collection emphasizes versatility, allowing you to mix and match while highlighting the elegance of simplicity. It's a reminder that every shade has its own story, just like you.
